BOARD AND UNION REACH TENTATIVE AGREEMENT

(Wilmette...) The District 39 Board of Education and the Wilmette Education Association (WEA) negotiation teams are pleased to announce that they have reached a tentative agreement on a multi-year teachers' contract, resolving all outstanding issues. The parties were able to reach this agreement through a strong collaborative effort and with mutual respect.

The details of the agreement will be made available after it has been ratified by the WEA membership and approved by the Board of Education. It is anticipated that the WEA will submit the tentative agreement to its members by September 24, and that the agreement will be considered for approval by the Board of Education as soon thereafter as possible.
